

We, the undersigned, are duly authorized agents of the Pacific Gas & Electric Company (PG&E), acting under contract with PG&E for the purpose of installing SmartMeters.

PG&E denies customers the right to opt out of SmartMeter installation.

PG&E, and its agents, acknowledge that in the provision of utility services PG&E and its agents have a responsibility to not to threaten nor interfere with customers' peaceful enjoyment of cutomers' property, nor to knowingly cause liability, hazard, or property damage.

In consequence thereof, we attest and assure

that installing this device/these devices on the property at

will not:

- *cause fire(s);
- *be detrimental to the health of people or animals residing on this property;
- *enable infringement of the resident's privacy or security;
- *have a negative cost to benefit ratio to the customer;
- *create billing errors for the utility customer;
- *produce electrical disruption which damages or prevents use of electrical devices, including medical aids, within the home.
